Editor's Message

This year has meant many things to each of us. To some, it is the beginning of higher and greater things, while for others, it is the end of their education. No matter which group we belong to, we have had many enjoyable and unforgettable moments. We have tried to capture them within the pages of this annual. If your appreciation of these memories grows deeper in the years to come, then the major goal of the annual staff will be reached.

Thus, we the 1957 graduating class of Gold Sand, leave to you this volume of Golden Memories. May the events captured within these pages be 'Golden Memories' for you in the future.

THE EDITOR

Dedication

Because of her many deeds of kindness to the members of our class and to the students of our school, and because of her untiring efforts in behalf of our school and community, we the Seniors of 1957, dedicate this volume of "Golden Memories" to Mrs. R. G. Stephens.

Principal's Message

Seniors of 1957, you are leaving Gold Sand at a time when there is the greatest demand for men and women of Christian character to fill places of responsibility in all fields. I hope your stay at Gold Sand has inspired you to further your education to fill some of these places.

The Best Wishes of the principal will go with you at all times.

Class History

In the year 1945, 49 bewildered children entered upon the sea of school life. Some of us were frightened and cried while others were brave and held the tears back. As the days wore on we gained confidence in ourselves and lost our fear of school life under the guidance of our dear "Miss Eva."

As the years passed we realized that we were making progress, but when we proudly entered the ninth grade we found that there was still a long way before we could reach our destination—graduation.

During our first year of high school the girls were initiated into the Home Economics Club and the boys were initiated into the Future Farmers of America. We entertained our mothers at a Mother and Daughter Banquet that year.

With the arrival of our Sophomore year we felt very wise because we were no longer considered "Green Freshmen." In this year Barbara Alice Leonard and Charles Barham joined our class. Again, we entertained our mothers at a Mother and Daughter Banquet.

When we entered the Junior class we knew that there were many events in store for us. In November of that year we went on our trip to Williamsburg. Eight members of our class became members of the Beta Club. We ordered our class rings and were very proud when they arrived. Another highlight of this year was when we entertained, with Mrs. Mary Murphy's help, the Seniors at our Junior-Senior Banquet at Rocky Mount. Also, that year we very proudly presented our Junior play, "Betty, the Girl of My Heart."

The last lap of our journey, our senior year, was the happiest and busiest of all. Our annual "Golden Memories," was published after much hard work. In December we presented our Senior Play, "Mama's Baby Boy," with eleven members of our class taking part. We were entertained at a marvelous Junior-Senior Banquet, and our Washington trip took place in March.

When we reach the destination of our journey we will be proud and happy, but also sad, because we will have to part from our friends and classmates at Gold Sand. Now, that we look back upon our journey we see that it has been long, but happy; also we see many people who have helped us along our way. To these people we would like to say, "Thank you" and you will remain in our "GOLDEN MEMORIES" always.

CAROLYN GRIFFIN—*Historian*

Class Poem

During our class meeting today
We stopped to recall,
The days spent at Gold Sand—
We remembered them one and all.

We thought of our first day together
And as the years have passed,
The memories of dear Gold Sand
In years to come will forever last.

Each hall holds a memory dear
Each room a treasured thought,
For in these places we have found
The happiness each of us sought.

To our teachers we wish to say
Thanks for all you have done,
And to each schoolmate and friend
We shall remember you when we have gone.

As we leave dear Gold Sand
To go out into this world of strife,
We shall try—"Not merely to exist—
But to amount to something in life."

MOTTO

"Not merely to exist,
but to amount to
something in life."

Last Will and Testament

We, the Seniors of 1957, being of sound mind and body, and realizing our days here are numbered, do hereby make this our last will and testament.

To Gold Sand, we leave the memories of the happiest times of our lives.

To Mr. Stephens, we leave the Algebra II class and we hope that they learn as much as we did.

To Miss Harper, we leave our love and the title of being one of the sweetest teachers we ever had.

To Mrs. Parrish, we leave the Chemistry and Physics students in hope that she will have an easier time with them than she did with us.

To Mrs. Murphy, we leave many years as coach of the girls' basketball team hoping they win as many games as we did.

To Mr. Sanders, we leave the F.F.A. boys so that we may continue having a prosperous community.

I, Carolyn Griffin, leave my place as the Gold Glory Editor to Nancy Jean Parrish.

I, Jill Griffin, leave my love for going steady to Nancy Wood.

I, Jeanette Steed, leave my love for Gold Sand to anyone who wants it.

I, Rachel Harris, leave my love and good times to Judy Perdue.

I, Evelyn Gupton, leave my quiet ways to Ruby Rudd and Mary Tharrington.

I, Marie Stainback, leave my faithfulness to Caleb Allen, Jr.

I, Clifton Perdue, leave my title of being the "Sweetest" to Billy Watkins.

I, Charles Barham, leave my popularity to Freddie Hight.

I, Jimmy Jones, leave my witty ways to David Moore.

I, Charlie Tharrington, leave my loafing ability to Stanley Foster.

I, Shelby Jean Denton, leave my devotion to my studies to Steve Shearin.

I, Emma Grey Patterson, don't leave anything because I'll need everything I've got.

I, Barbara Leonard Perdue, leave my happiness to all the Juniors.

I, Frances Leonard, leave my nice ways to Elaine Brewer and Lucy Wester.

I, Sally Burnette, leave my driving ability to Wanda Bumgarner and Sandra Smith Howell.

I, A. C. Gupton, leave my willingness to study to Jerry Jones.

I, Roger Harris, leave my friendly ways to Forrest Harper.

I, Dwayne Gupton, leave my good times at Gold Sand to Philip Leonard and Jimmy Foster.

I, Larry Osborne, leave my love for driving the car to school to all the Junior boys.

I, Jimmy Smith, leave to Grady Aycock my shyness.

I, Carol Wrenn, leave my French book to anyone who wants it.

And I, Barbara Jean Leonard, leave my love and memories of our good times to Peggy Griffin.

Signed and declared to be our LAST WILL AND TESTAMENT on this day, May 22, 1957.

Class Prophecy

Today Clifton and I received a thank-you note from Jeanette Steed, one of our former classmates at Gold Sand High School. She wrote to tell me how much she enjoyed spending last week-end with us in Miami, Florida.

It was nice that Clifton was home then because he is quite busy with his racing career. Kim, our son, and I are very proud of his winning the National Racing Title in Indianapolis last year.

It was really great to see Jeanette and talk over old times. She is now a telephone operator in Henderson, North Carolina. She brought along a school paper from Gold Sand which contained an article written on the alumni of '57. It was wonderful to find that each of our classmates had become such a success in eight years.

Carolyn Griffin is a successful physical therapist at John Hopkins' Hospital in Maryland. She has made several world tours and has become famous for her treatment of sprained toes.

Jimmy Jones is that distinguished looking Professor of Physics at Duke University. He is trying to find the explanation as to why all his female students are so crazy over him.

Emma Patterson is a kindergarten teacher in Miami since she graduated from West Carolina College. Emma met her husband at W.C.C. and she is now teaching her twin daughters in her kindergarten.

Charlie Tharrington owns a large dairy farm near Henderson where he raises chickens for a living.

Carol Wrenn, after taking a business course at Louisburg College, is working for her husband. They own a large men's shop and Carol acts as his private secretary because she won't trust anyone else with him.

That reliable pharmacist you hear all the Raleigh people talking about is A. C. Gupton. After getting his B.S. degree at U.N.C. he opened a drug store in downtown Raleigh and is doing quite well for himself.

Jill Griffin is now happily married to her high school sweetheart, Jerry Gupton. They are living in Richmond where she is operator of a beauty salon.

Larry Osborne, stationed in Charlotte, is a Highway Patrolman. He is having quite a time trying to stop those teen-agers from speeding and racing.

Evelyn Gupton, after taking a business course at Louisburg College, is doing secretarial work in Rocky Mount.

After taking the retired owner's position, Roger Harris is now manager of a large warehouse in Henderson. Dwayne Gupton is Mr. Harris' assistant. These gentlemen learned about big business in Mrs. Murphy's economics class.

Marie Stainback, now married and living in Raleigh, is staying at home keeping house for her husband and three little boys.

Jimmie Smith, a well-known artist, is drawing cartoons for Walt Disney's comic strips.

After four years in the Air Force, Sally Burnette is nursing at the Mayo Clinic under the supervision of her husband who is head doctor at the Clinic.

Charles Barham has made a career of Navy life. You can be sure that he had girls in every port!!

If you've seen the head nurse of the second floor of Rex Hospital, I know you recognized Shelby Jean Denton.

Barbara Jean Leonard is that lovely singer who is now recording the nation's top hit tunes.

Rachel Harris was married just after graduation. She and her husband, James, have a beautiful home and two lovely children.

Frances Leonard is Religious Director in the First Baptist Church in New York City where she met her fiancée, who is a minister there.
